- **Proof of NEMO membership** or recommendation letter from a NEMO member
- **Letter of motivation** and expectation (max. 1 page) and your **CV**

ABOUT THE PROGRAMME

The leading principle of NEMO's member activities is network empowerment. NEMO provides a platform for professional development, offering opportunities for the exchange of ideas and promoting discourse among museum organisation colleagues across Europe. The aim of the Learning Exchange is to increase practical knowledge and benefit from the experience of fellow members while strengthening cross-border collaboration. The Learning Exchanges are free of charge only for NEMO members, subsequent to a successful application. Up to 8 participants will be reimbursed their travel, accommodation and subsistence costs through a lump sum/flat rate of 600 Euro. The sum can only be transferred after the Learning Exchange and with a proof of participation and a submitted feedback of the activity. Non-members can participate for a fee of 250 Euro for NEMO activities.

The selection process will be carried out by NEMO's executive board and the hosting organisation. The selection of the participants receiving the grant is made according to a) their profile and b) how often the organisation they are coming from has benefitted from NEMO's grants already.
