

THE ENCATC Academy 2025 on sustainable cultural management and policy

Capacity Building Activity: 10 NEMO members can join!

APPLY NOW!

The Network of European Museum Organisations (NEMO) is cooperation partner of the **2025 edition of the ENCATC Academy - taking place from 14 - 17 April in Bologna, Italy**. NEMO is thrilled to invite NEMO members to apply for this training opportunity.

The ENCATC Academy is designed to build new capacities of professionals at museum and city level as well as in training policy makers and educators of future cultural professionals.

ENCATC - European Network on Cultural Management and policy - works towards building climate resilience and fostering inclusivity within the cultural sector. NEMO's focus topic of well-being will also be a cross-cutting theme throughout the Academy days.

The ENCATC Academy also provides a safe space for the meeting of different articulations of cultural organisations, networks, and individuals to engage in specialised discussions, enabling the development of mutual and useful learning for the sector.

10 NEMO members will be selected for a travel grant (up to 800 € according to NEMO's grant scheme) and do not have to pay the Academy fee. Find more information about ENCATC and the academy [here](#).
