

Have a look at NEMO's new Website!

During summer, NEMO has worked hard to shape up its website, added new exciting features and make it fit for the European museum sector's needs.

- The site includes valuable resources, such as links to helpful sites, studies and reports, and a growing bibliography on various topics including Digitisation, Learning and Culture Policy.
- Keep up with news and events from across Europe and learn about upcoming opportunities for museums and museum professionals.
- Learn more about this year's Annual Conference in Bucharest, Romania!
- Sign up to our [newsletter](#) and follow us on [facebook](#) and [twitter](#) to stay up to date with the museum community!
